ROAD CONSTRUCTION UPDATE

For Immediate Release: Tuesday, May 17, 2022

County Roads to be Resurfaced

The Logan County Engineer's Office announces that the Shelly Company will have a second crew working on the following roads. The tentative starting date is Wednesday, May 18, 2022, weather permitting.

These roads will be under construction between the hours of 7:00 A.M. and 5:00 P.M. each day, but will remain open to emergency vehicles and local traffic only (no thru traffic).

When traveling through these work areas, we ask that you please use caution as there are unmarked no passing zones and drop-offs along the edge of the road.

Butt joints are cut at the intersections and bridges prior to paving and create a bump in the roadway, please slow down accordingly (15 mph or less).
