ROAD CONSTRUCTION UPDATE

For Immediate Release: Wednesday, July 13, 2022

County Roads to be Sealed

The Logan County Engineer's Office announces that Pavement Technology, Inc. will be applying reclamite surface treatment to the following County and Township Roads:

**County Road 102; County Road 104; County Road 54;
County Road 40; County Road 144; County Road 64;
County Road 04; County Road 03**

Tentative starting date is Monday, July 18, 2022, work will be completed by Friday, July 22, 2022, weather permitting.

These roads will be under construction between the hours of 7:00 A.M. and 5:00 P.M. each day. Sections of the roadways will be closed to all but local traffic as the work progresses.

Residents are asked to use the alternate routes and use caution when traveling through these work areas.

The product is designed to seal the surface extending the life of the new pavement.

We appreciate your cooperation during the construction and we apologize for any inconvenience.
