ENGINEER'S OFFICE**

# ROAD CONSTRUCTION UPDATE

For Immediate Release: Tuesday, August 24, 2021

## **County Roads to be Sealed**

**The Logan County Engineer's Office announces that Pavement Technology, Inc. will be applying reclamite surface treatment to the following County and Township Roads:**

**County Road 63; County Road 20; Township Road 203;  
County Road 02**

**Tentative starting date is Monday, August 30, 2021, work will be completed by Friday, September 03, 2021, weather permitting.**

These roads will be under construction between the hours of 7:00 A.M. and 5:00 P.M. each day. Sections of the roadways will be closed to all but local traffic as the work progresses.

Residents are asked to use the alternate routes and use caution when traveling through these work areas.

The product is designed to seal the surface extending the life of the new pavement.

We appreciate your cooperation during the construction and we apologize for any inconvenience.
