## **Construction Notice**

For Immediate Release: July 12, 2021

### **County Road 20 in Rushcreek Township to Close for Resurfacing**

The Shelly Company is scheduled to resurface CR 20 between County Road 118 and County Road 12. The work will begin Tuesday, July 13, 2021, and continue through Friday, July 16, 2021.

County Road 20 will be under construction each day between the hours of 7:00 A.M. and 5:00 P.M. but will remain open to emergency vehicles and local traffic only (no thru traffic). Please plan alternative routing.

When traveling through the work area, we ask that you please use caution as there are unmarked no passing zones and drop-offs along the edge of the road.

Butt joints are cut at intersections and bridges before paving. These butt joints create a bump in the roadway. Please slow down accordingly (15mph or less)

We apologize for any inconvenience.
