**Re: Premium Ultra Low Sulfur Diesel Fuel  
January 24, 2017 at 11:00 AM**

Gentlemen:

We have reviewed the bids for premium ultra low sulfur diesel fuel and the B5 alternate. Both bids appear to be in order meeting all specifications. The bids were as follows:

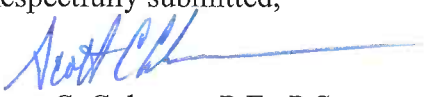

Company	Price per Gal. Reg. Diesel	Price per Gal. B5	Meets Specs.
R.D. Holder Oil, Inc.	\$ 2.369	\$2.369	Yes
Heritage Cooperative	\$ 2.226	\$ 2.226	Yes

Therefore, I am recommending that your honorable board adopt a resolution awarding the bid to Heritage Cooperative, 304 Bloomfield Ave, Urbana, Ohio 43078 for the firm bid price of \$2.226 per gallon for regular diesel.

In accordance with ORC 9.24, we have checked the Auditor of State's Unresolved Findings for Recovery Database. Heritage Cooperative was not listed and we have retained the certified search confirmation page in the project file.

This will be paid from Auto and Gas Funds.

Respectfully submitted,

  
Scott C. Coleman, P.E., P.S.  
Logan County Engineer
