**Bid Results for Ohio Public Works Commission Zanesfield Drainage Project - Phase 4 OPWC Project No. CM11W  
3:00 P.M., Tuesday, January 28, 2020**

One bid was received for Ohio Public Works Commission Zanesfield Drainage Project - Phase 4 OPWC Project No. CM11W from J & J Schlaegel, Inc. in the amount of \$26,823.85.

The Engineer's Estimate was \$24,286. Per ORC 153.12, no bids in excess of ten per cent may be accepted thus you are unable to award the bid to J & J Schlaegel, Inc.

However, the Village of Zanesfield does not have to bid the project by Ohio law if the amount is less than \$50,000 and I have verified that the Ohio Public Works Commission does not specifically require the project to be bid. In addition, a Certified Search for Unresolved Findings for Recovery for J & J Schlaegel, Inc. produced zero matches. Therefore, my recommendation would be for the Village of Zanesfield to reject the bid but enter into a contract with J & J Schlaegel for the Ohio Public Works Commission Zanesfield Drainage Project - Phase 4 OPWC Project No. CM11W for the amount of \$26,714.60.
