Response to Questions #2

for

Faulkner-Wheeler Joint Ditch Project

Issued: September 3, 2020

Letting: September 8, 2020 at 10:00 A.M.

The following are responses to two questions that our office has recently received via email with regards to the above mentioned project.

1. Q: Will the inspection forms, performance reports, and evaluation requirements be required under 611 or are they being waived?

A: The video recording requirements stated in section 611.12: Performance Inspection of the 2019 ODOT CMS Specifications will be waived for this project.

2. Q: Will the owner allow crushing of the decommissioned items to remain on site/in place?

A: Yes.

Respectfully,

Michael J. Kerns, P.E.

Assistant Engineer

Logan County Engineer's Office
