**ADDENDUM #1 – ADDITION OF CAST IN PLACE OPTION: BOX CULVERT AND  
 WINGWALLS**

Gentlemen:

The undersigned, having full knowledge of the site, plans and specifications for the following structures, and the conditions of the bid, hereby agrees to furnish to the Commissioners of Logan County all services, labor, materials and equipment necessary to provide precast concrete box culvert sections and wingwalls set in place on aggregate bedding prepared by Logan County, according to the plans and specifications, and to accept the total price specified below as full compensation for the work on this project.

All terms of the PRECAST OPTION shall apply except that the box culvert and wingwalls shall be cast in place on the bridge site, according to a proposal subject to approval by the Logan County Engineer's Office. The proposal shall be submitted with the bid documents and include a closure duration.
