Re: **Aggregate (Stone) Bids for 2020**
January 23, 2020 at 10:00 A.M.

Gentlemen:

Attached is a tabulation of bids received by your honorable board on January 23, 2020 for aggregate to be used by the Highway Department during 2020.

Due to the small differential in cost and the location of the bidder's plants in our county, I recommend that your honorable board adopt a resolution authorizing our department to purchase necessary aggregate from each of the suppliers based upon cost, length of haul to job site and availability of material at the time of project requirement.

In accordance with ORC 9.24, we have checked the Auditor of State's Unresolved Findings for Recovery Database and the federal system for awards management. The responsive bidders were not listed and we have retained the certified search confirmation pages in the project file.

Respectfully submitted,

Scott C. Coleman, P.E., P.S.
Logan County Engineer
