NOTE:  
The following will appear in all deeds regarding the use of water furnished on Allotment # 6. The right to tap into a 1 1/4" galvanized water line as shown on the recorded plat of said allotment using water from that certain water well owned by Lewis F. and Cecilia M. King as shown on said plat using said water for household purposes only and not for irrigation and not to be made available to the general public. It being the intention of this easement that the only water to be used shall be for household purposes in house trailers. If future development on north side of Prince Road is made, the lots will be large enough in size for individual water wells and individual sewer systems.
